

MISERABLE BALL GAME

Montpelier Seminary Played
"Punk" All Around

NO QUESTION OF RESULT

Thomas Pitched Good Ball Until He Got
Discouraged Over the Poor Sup-
port—Heath Had the Goods
All the Time.

If the Montpelier seminary ball team hadn't been more or less crippled, its attempts to match the well-rounded team of Goddard seminary at Intercity park Saturday afternoon would have been laughable. As it was, they were pitiful. It was only a question of how many scores Goddard wanted to run in. Some of the free silverites set the score at their favorite figures of 16 to 1. They hit the one all right, but discounted Goddard too much. As a matter of fact, Goddard tallied 21 times. It was the third and decisive game between the two former rivals, very decisive it may be said.

Adapt at making errors, Montpelier was a weakling at the bat, and his puny efforts against the mastery pitching of Capt. Heath caused her supporters to groan almost as much as when the men dropped fly after fly and fumbled ground after grounder. Fourteen errors against a team may be called traveling some, and if the errors of omission could have been counted with the errors of commission, the error column wouldn't have held the figures.

No wonder that "Tommy" Thomas, a really capable pitcher, rather lost his nerve and lobbed 'em over, allowing Goddard to pile up a total of fourteen hits in eight innings. Only one player on the Montpelier team does not figure in the display gallery; he was second baseman Durkee, and he perhaps is excusable, as he hid only one chance to make an error. The three outfielders were miserably weak, as was first base, and Bishop at short was far below his standard. Godfrey, behind the bat, did not back up his pitcher any too well, either. Third baseman Harvey had only a leg and a half to stand on.

Montpelier found so much fault with James E. Davidson of Montpelier, the umpire, that he jacked the job in the fifth inning, and Allan Reid of Barre was called in to fill the breach. No doubt Mr. Davidson was a little rough on some points and he failed now and then to note the elevation of the pitched ball. But Montpelier was a beaten team, anyway, umpire or no umpire.

It would be wearisome to recount the details of the game, so the tabulated score is appended:

ON THE COLLEGE DIAMONDS.
Yale Ties Princeton Series—Tigers Are
Soundly Trounced.

Yale and Harvard turned the tables
on Princeton and Holy Cross yesterday.
The result of the Yale-Princeton match
means that another game will have to
be played to decide the series. Har-
vard won from Holy Cross through the
poor work of the Worcester team's in-
field. The crimson has certainly been
showing signs of improvement in the last
few days. The Redding is strong, but
the hitting is weak. Amherst took an-
other game from Brown, while Pennsylv-
ania won the third and deciding match
of its series from the Carlisle Indians.
The results:

Yale 8, Princeton 2.
Harvard 4, Holy Cross 3.
Pennsylvania 5, Carlisle 0.
Amherst 2, Brown 1.
"Aggies" 8, Boston college 0.

Though the compiling of a dictionary

editors undertake with no slight hesi-
tation, Washington woman, Mrs.

the remarkable feat of writing an idiom-

dictionary entirely unaided. After nine
years of hard, grueling labor she en-
joys the distinction of being the only
woman in the world who has ever

GIRL KILLED BY BUG.

Bitten By Insect While Reclining in
Hammock.

Pawtucket, June 15.—Bitten by an
insect June 5 while reclining in a ham-
mock at her home on Broadway, Miss
Annie McKenna, a young woman of the
Pleasant View section of this city, died
at her home yesterday from blood
poisoning. Dr. Thomas Murphy as-
cribed her death to the insect.

A little over a week ago Miss Mc-
Kenna complained to her mother of being
bitten on the lip by an insect while
reclining in a hammock, but thought no
more of the incident and they joked
her about the kissing bug until Tues-
day, when a red blotch discolored her
features, centering from a little pim-
ple on the upper lip.

Two days later the young woman
complained of pains in her head and
body and was forced to take to her bed.
When Dr. Murphy called he found that
the rash and swelling covered her face.
Deeming the case one of blood poison-
ing and extremely critical, Dr. Murphy
used every means known to medical
science to combat it. After hours of
labor he relieved the girl of pain and
was successful in administering nour-
ishment and medicine, but at 8
o'clock yesterday morning she died.

Neighbors of the McKennas believed
that the young lady's death was due
to a bite from a black spider.

TORPEDO TUBES IN HOT FIRE.

Bath Iron Works Swept By Destructive
\$90,000 Blaze.

Bath, Me., June 15.—Property of the
Bath Iron Works, valued at \$90,000,
was destroyed by fire Saturday.

The boiler shop, coppersmith shop
and a small shop house, all wooden
buildings, were burned.

Eight boilers for the two torpedo
boat destroyers in progress of construc-
tion, 12 torpedo tubes and many old
patterns were destroyed.

The big machine shop of the com-
pany was endangered, but was saved,
mainly by a brick fire wall at one end
of the building.

The three-masted schooner William
Hunt, which was moored near the fire,
was saved by the tug Confidence of
Boston, which towed her to a place of
safety.

The Maine Central railroad ferry boat,
Hercules, which was in her slip north
of the iron works, and the supply boat
General Knox also had to be moved to
prevent serious damage.

A large consignment of Oregon ap-
ears owned by Morse Brothers and which
were in a slip near the big plant was
damaged.

The cause of the fire is unknown. The
women, who had a Saturday half-
holiday, were not in the shops at the
time. The water pressure was weak at
first but improved as the fire progress-
ed.

The loss is covered by insurance.
About 80 men will be out of work for
a short time.

BOYS HELD FOR BURGLARY.

Officers Say Accused Admit Break at
Vernon Postoffice.

Brattleboro, June 15.—Jesse Tenney
and Louis Boyette of Vernon each 16
years old, were held in \$500 bonds Sat-
urday by Judge E. W. Gibson of Brat-
tleboro for the next term of the county
court at Newfane to answer to the
charge of burglary. M. I. Reed of Ver-
non became bail for Tenney, but the
other boy was taken to Newfane jail
by Deputy Sheriff Myron P. Davis.

The burglary was committed Tues-
day night, the postoffice and store in
Vernon run by Elias P. Johnson being
entered. About \$8 belonging to the
telephone company, some stamped eu-
ropes and a revolver belonging to the
postmaster were stolen. Later the re-
volver was found in the possession of
another boy, who said he had bought it
of Boyette. Boyette said he got it of
Tenney and the latter confessed to the
theft. They waived examination be-
fore Judge Gibson.

SOCCER GAME ENDED A TIE

Rangers and Bon'accors
Had a Hot Match

OPENING ONE OF SEASON

First Period Was Largely in Favor of
the Bon'accors But Rangers Streng-
thened as the Game Went On—
Score Was 2 to 2.

The association football season was
opened at the Rangers' grounds Sat-
urday afternoon by a hotly contested game
between the old rivals, the Barre Ran-
gers and the Bon'accors, the score at
the end of the game being 2 to 2.

The Bon'accors won the toss and
Piper kicked off for the Rangers. The
Bons got the ball into the Rangers' ter-
ritory and held it there nearly all the
time for the first 10 minutes of play.

And Nedrie succeeded in scoring for the
Bon'accors at the end of 15 minutes of
tussling. Black scored another goal for
the Bons in the next five minutes of play.
The Rangers were playing in hard luck
and missed a goal three times in suc-
cession, when everyone seemed sure.

Duguid finally succeeded in scoring for
the Rangers after a fast drib to goal
from mid-field, making the score two to
one. After this score the ball was se-
sawed back and forth before the half-
time whistle was sounded.

In the second half, Nedrie kicked off
for the Bons and while faster, the game
was even at the start, first one side
and then the other playing on the de-
fensive. After a few minutes, the Ran-
gers began playing a stronger game and
the ball was nearly all the time in the
vicinity of the Bons' goal, until
